

RELIABLE. ALL THE TIME

WHO ARE WE?

Reliable Engineering & Fabrication FZC, located in Hamriyah Free Zone, Sharjah.

Operating since 1988 in the heart of the Industrial zone of Ras Al Khor, Dubai.

Catering to the requirements of the Marine, Oil & Gas and Construction industry with unparalleled excellence.

From Intricate design to Fabrication to Final installation.

Your trusted partner in a variety of fields and industries.

MILD STEEL WORKS

– STRUCTURAL & NON -STRUCTURAL

STAINLESS STEEL WORKS

– STRUCTURAL & DECORATIVE

ALUMINUM WORKS

– STRUCTURAL & DECORATIVE

SCOPE OF WORK / ACTIVITIES

Fabrication, Blasting & Painting of all kinds of metals.

Manufacturing, Welding, Assembly, Protective Coating Application and Erection of specialized Steel Structures such as Helidecks, Oil Storage Tanks, Pipelines, Vessels, Cylinders.

Ship Repair services including Metal Fabrication, Blasting & painting.

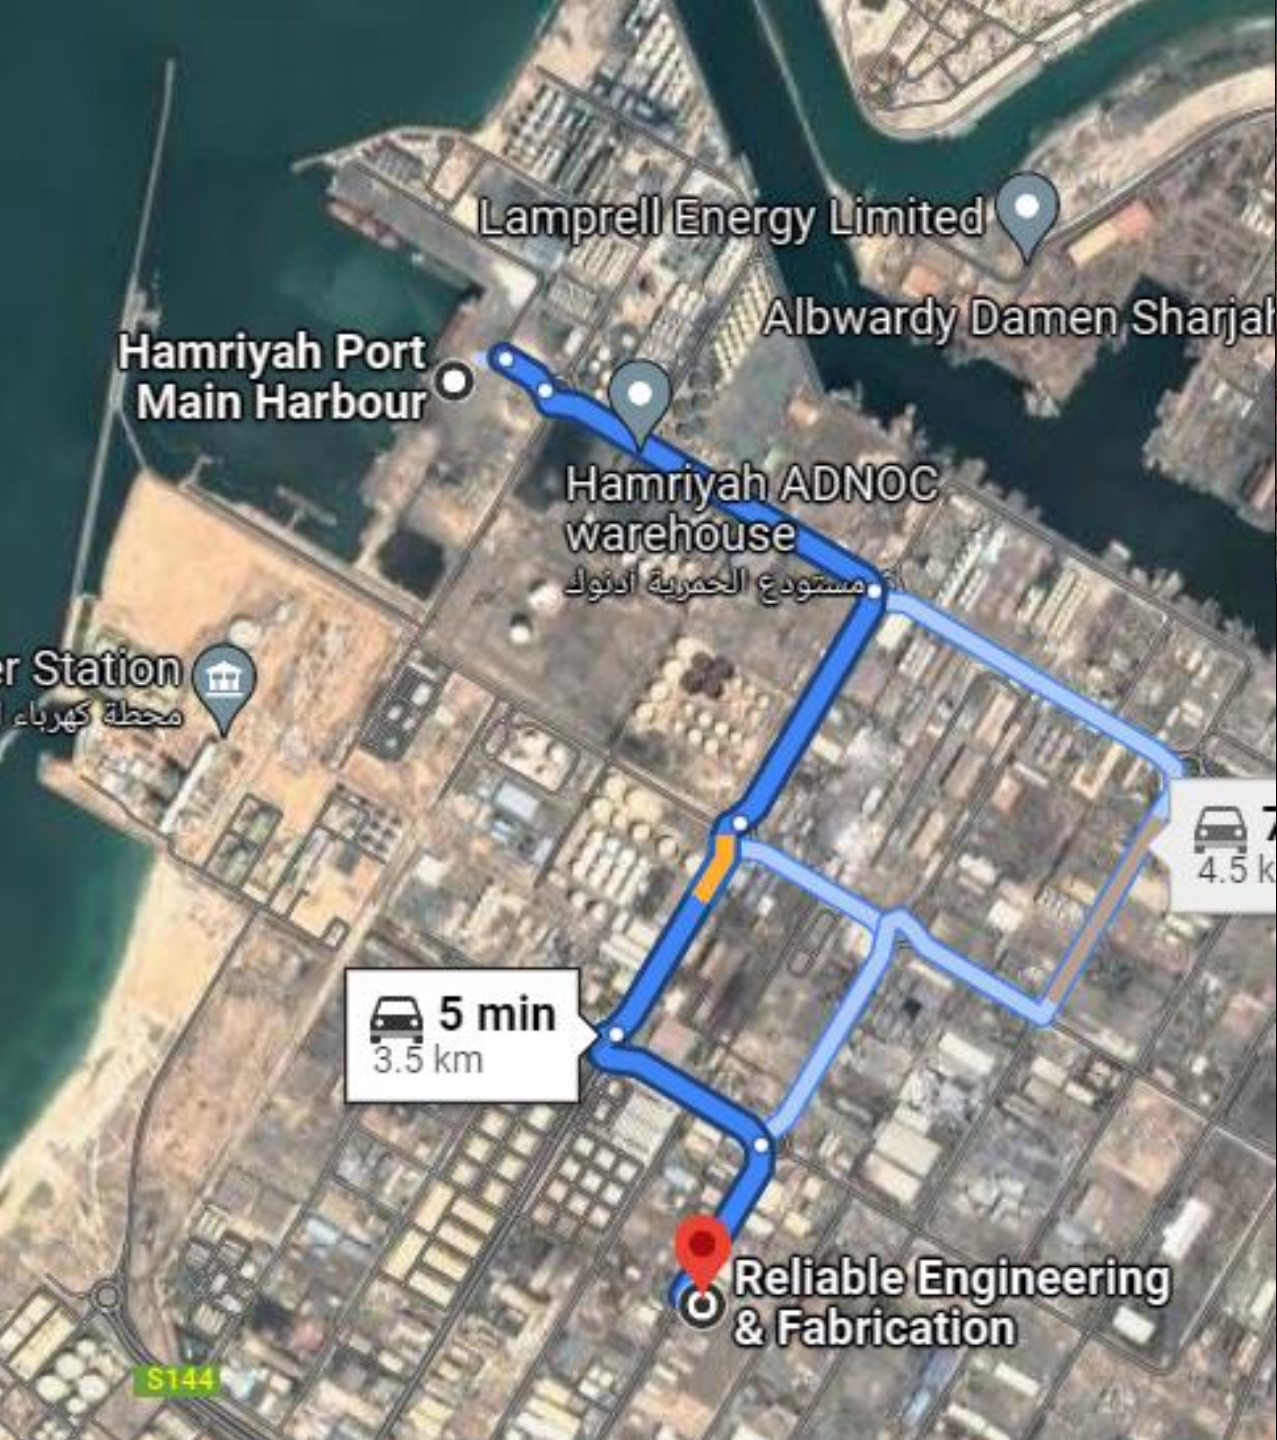

A close-up photograph of a business meeting. In the foreground, a person's hand is raised with the palm facing up, fingers slightly spread, in a questioning or explanatory gesture. The hand has a small bandage on the thumb. In the background, another person is seated at a table, holding a pen over an open notebook. The table is covered with various documents, including a prominent bar chart with blue bars. The scene is brightly lit, suggesting an indoor office environment.

WHY CHOOSE US?

**FABRICATION CAPACITY UP TO
6,000 MT PER ANNUM.**

**OPEN YARD FACILITY TO
ACCOMMODATE JOBS WITH LARGE
HEIGHTS.**

EASE OF TRANSPORTATION

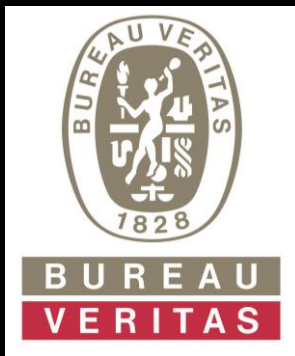

STRATEGICALLY SITUATED

NEAR HAMRIYAH PORT.

IN-HOUSE BLASTING & PAINTING FACILITIES

NDT & TPI WITH REPUTED PROVIDERS SUCH AS ABS, TUV, BV, LLOYDS, APPLE, ASIANDI

Weld Testing Methods
Destructive & Non Destructive Testing

Date : 30 May 2022

SURVEY REPORT

The undersigned surveyor carried out the yard Review on the premises of Reliable Engineering & Fabrication FZC, Hamriyah Free Zone, Sharjah on the 30-05-2022.

Location: Reliable Engineering & Fabrication FZC, Hamriyah Free Zone, Sharjah.

Scope of Work: Yard Review for the purpose of Fabrication Work.

Conclusion: The review was carried out and the form has been attached with this report. A quick synopsis is listed below:

- The workshop has ISO 9001:2015 , 14001:2015 and 45001:2018 certifications.
- There are total of 45 welding machines
- They have 3 qualified NDE personnel on staff out of 158 persons in total.
- They have cutting, marking, fabrication, blasting painting and welding facilities.
- The yard also has systems in place for traceability.
- The Quality System is in place and has clear definition of roles.
- The safety equipment and personnel are available and trained respectively.

With this survey BV approves Reliable Engineering & Fabrication FZC to carry fabrication works intended for **BV Class**.

Remarks: NDT to be carried out by external Third-Party Company since Reliable Engineering & Fabrication FZC don't have any internal NDT ASNT qualification system.

Reference to reports:

1. EQCS-ZA0NZ203 – ISO 9001:2015, 14001:2015 and 45001:2018 issued by EQCS.
2. Attached NDE personnel qualifications.
3. Attached list of equipment available on site.
4. yard review record.

ISO CERTIFICATES

Certificate

Awarded to:

RELIABLE ENGINEERING & FABRICATION FZC

PO Box. 52511, Plot No. 2L-09, 10, Hamriyah Free Zone, Sharjah,
United Arab Emirates

The Occupational Health & Safety Management has been assessed successfully and found to
comply with the requirements of the international standard.

ISO 45001:2018

Scope of Certification

DESIGN, ENGINEERING & FABRICATION OF ALL KINDS OF STRUCTURAL, NON-STRUCTURAL,
STORAGE TANKS & PIPING WORKS MADE OF ALL GRADES OF MILD STEEL, STAINLESS STEEL &
ALUMINIUM FOR OIL & GAS, MARINE & OFFSHORE, INFRASTRUCTURE & CONSTRUCTION
PROJECTS ALONG WITH VARIOUS TYPES OF SURFACE PROTECTION SYSTEM. SPECIALIZED IN CAP
437 COMPLIED HELIDECKS.

Certificate No:	EQCS-ZA0NZ203	IAF Code:	17
Certificate Date:	25/04/2022	NACE Code:	2511

VISION

Reliable Engineering & Fabrication
FZC will be a world class structural steel fabricator and service provider preferred by suppliers in Marine, Infrastructure and Oil & Gas industry for projects around the globe while creating value for all our stakeholders.

To conduct business in a healthy working environment with the highest ethics and integrity while adhering to international safety regulations while focusing on customer delight by ensuring timely delivery of high-quality products and services.

VALUES

To realize our vision and mission, we rely upon our corporate values that are sacrosanct. We will work with these values without any compromises.

- ☐ Teamwork
- ☐ Will do attitude
- ☐ Customer first orientation
- ☐ Integrity and ethics
- ☐ Corporate responsibility
- ☐ Continuous improvement
